

## Head's Lines - Gerard Booth - Director of Music

Hello and welcome to this latest edition of the Oldham Music Service and Music Centre newsletter, 'Music Notes'.

When we published our previous edition, we were all looking forward to the virtual Christmas Festival that featured so many of our wonderful musicians. As you will know if you saw the film, this was a real triumph and a great achievement that showcased the tremendous talent that has continued to develop throughout even through this most challenging of years.

The hope then was that we would continue to see an easing of the lockdown restrictions and that it would be possible to introduce some face-to-face activities in the Lyceum by now. As we all know though, that just has not been possible and most of the activity has had to revert to the world of cyberspace. The OMS and OMC team appreciates just how difficult the period of lockdown has been, not just for our young people, but for all families and also how much students have been challenged by the lack of social interaction. To that end we are planning to reinstate regular weekly rehearsals online on a trial basis from immediately after half-term. These will include woodwind, string, voice and brass groups with classes set at appropriate levels to ensure that all of our pupils can have opportunities to participate. We are also looking at ways to restore those community groups that had to be suspended as a result of the pandemic and members of all these groups will be receiving details in due course.

We appreciate that virtual rehearsals are never going to be the same as in-person sessions. However, we aim to recreate some of the camaraderie of normal Music Centre classes as well as maintaining musical standards. When you receive the invitation to take part, I sincerely hope that you will be able to engage with the sessions and we look forward to welcoming you back.

Meanwhile, OMS teachers have been delivering weekly lessons, both in schools where possible and remotely over Zoom and YUMU (our virtual learning platform) since the start of the latest lockdown. The response from pupils and parents has been really pleasing and it's a terrific testament to the efforts, resilience and dedication of the OMS staff that they have once again adapted so brilliantly to this new way of working.

We know that the dangers of COVID-19 are very real but that we seem to be heading in the right direction now and, with luck, we are at the beginning of the end as far as the restrictions on our way of life are concerned. With that in mind, I look forward to welcoming Music Centre members and their families back to the Lyceum as soon as possible and wish you all good health and fortune until that day arrives.

## Annie Meaden: Chetham's School of Music place

Music Centre student Annie Meaden has been very busy during lockdown! Working tirelessly for her Associated Board Grade 8 Violin examination since the first lockdown in March, she was able to take the exam "face to face" at the Oldham Music Centre in December during the brief period when lockdown restrictions were eased. Annie achieved a Distinction with a fabulous mark of 136! The good news didn't end there. Following a rigorous series of video auditions, a zoom lesson and 2 interviews, Annie was successful in being offered a place at Chetham's School of Music Sixth Form to start in September 2021.

A lifelong, committed member of the Oldham Music Centre, Annie started her musical journey as a baby in the Music Centre's Musical Beginnings Classes. She joined the Music Centre Junior Choir at the age of 4 years old and began violin lessons at around the same time. She soon joined the Music Centre Elementary String Group and the rest, as they say, is history. Annie has progressed through all the Music Centre Groups available to her and is currently a member of the Oldham Youth Orchestra, The Lyceum Strings, Oldham Youth Choir, Advanced Music Theatre Group and the Funky Folk Group. With the Music Centre she has enjoyed trips to perform in Lake Garda, The Royal Albert Hall, The Bridgewater Hall, Birmingham Conservatoire, The Stoller Hall and many other venues. All of these fabulous opportunities helped to heighten Annie's passion for music which has led to her recent successes. Annie says,

"The Music Centre has been a huge part of my life and musical journey. It is like a family. You make friends for life whilst playing music and getting to perform in some amazing places." We wish Annie every success in this exciting new stage in her education.

## Musical Learning in Lockdown

We have had some great feedback about the musical learning opportunities we have been able to offer to our pupils and schools this term. Here's a selection of the positive comments we have received:

## Online Rehearsals

Regular Online Rehearsals are already up and running for some of our ensembles and we have an exciting programme planned for after half term for all our Music Centre members.

The Choirs have recently commenced a series of “Developing your Singing Technique” workshops. Including top-tips for exercising the voice without straining it (using Semi-Occluded Vocal Tract techniques) and exercises to improve diction and expand vocal range, it will be a great benefit to our choristers at the Music Centre. It is probably fair to say that the SOVT techniques session resulted in a lot of splashing water everywhere! But Miss Davis helped us all to discover how this fun activity can enhance our

singing. There will be two further singing workshops after half term for our children’s choirs and the Adult Community Choir.. Watch out for an email with further details.

Uke 1 remain dedicated on weekly Zoom rehearsals. Mr Bergin looks forward to this highlight in his week. In these difficult times, it’s great to see our more mature musicians are able to keep in touch through their music-making.
