A FESTIVE THANK YOU

from Oldham Music Service

Your ongoing support gives our young musicians the opportunity to grow, create and discover the joy of making music together.

As the stage fills with the sounds of the season, we hope tonight brings you a moment to pause, enjoy and feel proud of everything these students have achieved. Their hard work shines brighter because you are here.

From all the staff and students of Oldham Music Service — we wish you a warm and joyful festive period. May it be filled with light, laughter and plenty of music.

Thank you for sharing this celebration with us.
